

"The Power Of The Dream"

Deep within each heart
There lies a magic spark
That lights the fire of our imagination
And since the dawn of man
The strength of just 'I can'
Has brought together people of all nations

There's nothin' ordinary in the living of each day
There's a special part everyone of us will play

[Chorus:]

Feel the flame forever burn
Teaching lessons we must learn
To bring us closer to the power of the dream

As the world gives us it's best
To stand apart from all the rest
It is the power of the dream that brings us here

Your mind will take you far
the rest is just your heart
you'll find your fate is all your own creation
And every boy and girl as they come into this world
Bring the gift of hope and inspiration

[Chorus]

The world unites in hope and peace
We pray that it will always be

It is the power of the dream that brings us here

There's so much strength in all of us

Every woman, child, and man

It's the moment that you think you can't

you'll discover that you can

[Chorus 2x]

[Background:]

The power of the dream

Faith in things unseen

Courage to embrace your fears

No matter where you are

To reach for your own star

To realize the power of the dream

To realize the power of the dream.....
